

Inaugural Tunica District Pinewood Derby Registration

To compete in the district race, this form must be completed, signed and turned in at the Scout office no later than Friday, April 30, 2010. Please turn in \$5 registration fee per scout with this form.

Each Pack is allowed to register up to ten Scouts for the district race. Five of these scouts shall be the 1st place Scout of each age group from the pack event. The Pack Derby Committee (**prior** to race day) should make the determination of which Scouts will fill the remaining five slots. Some may choose to enter 2nd place winners from each age group while others may decide to send the next five overall fastest cars or even a "lottery" style as their "alternate five". This is an individual Pack decision; do what is best for your boys.

Note: Once this paperwork is submitted to the Scout office, the registration is final. The District Race Committee will not allow any modification to this document. Also, there will be NO RACE DAY SUBSTITUTIONS. Thank you.
