

Kevin Klimo's Eagle Project

April 19th, 2008

*My Eagle Scout Project is to remove the entrance sign at Schoetz Park and install a new one. This project includes a variety of jobs that need to be done that will suit people of all strength levels. Stronger scouts and adults could help to remove the old sign and install the new one, while scouts that aren't as strong could plant foliage or spread mulch (tons of fun). **This is a one day project that will begin at 8:00am and will take place at Schoetz Park. I expect this project to be complete by 1:00pm.***

Rain out date to be determined.

For those of you who have never been to Schoetz Park, it is on 116th Street, between Grange and Edgerton on the west side of the street. Bring work gloves for sure, and any of the following if you can: rakes, shovels, wheel barrows, saws, and any other landscaping tools you can think of.

Snacks, soft drinks, and water will be provided

For any additional information, call me at 1-(414)-529-3365.

Slips due to Kevin on the Day of the Project or at any troop meeting prior to April 19th 2008.

Tear off here: Keep top for details and turn in bottom portion with fees
